

1. Define your website goal:

- ✓ Sell products or services
- ✓ Online portfolio
- ✓ Blog or informational resource
- ✓ Business card for Instagram or TikTok

2. Prepare your content:

- ✓ Photos/videos of you and/or your products
- ✓ Texts for pages: “About Me,” “What I Offer,” “Contacts,” “Pricing,” “Testimonials”
- ✓ Logo or just a neat title
- ✓ Design ideas (inspiration from Pinterest or Dribbble)

3. Choose a platform:

- ✓ Tilda
- ✓ WordPress (Elementor, Gutenberg, WPBakery)
- ✓ Shopify (if planning an online store)

4. Plan your site structure:

- ✓ Homepage
- ✓ Services or Products
- ✓ About Me
- ✓ Contacts
- ✓ FAQ / Testimonials

5. Register a domain and set up hosting:

- ✓ Choose a unique domain name
- ✓ Choose hosting or go without it (e.g., on Tilda)

6. Build your website:

- ✓ Use templates or start from scratch
- ✓ Follow a guide or book a consultation
- ✓ Work step by step — no stress 😊

7. Check everything before launch:

- ✓ Do all buttons and links work?
- ✓ Is it easy to browse on a phone?
- ✓ Is it clear who you are and what you offer?
- ✓ Is there a contact or order form?

8. Launch your website:

- ✓ Add the link to your Instagram/TikTok bio
- ✓ Announce the launch
- ✓ Collect your first views, inquiries, and feedback ✨

This checklist is your roadmap for getting started. If you want to move faster, I can guide you step by step.
